Letter from the President

JOHN MATTIA

Dear Friends of Nativity,

Since assuming the role of President in July, I have been overwhelmed by the genuine outpouring of support from the Nativity Community. Each morning, as the students and faculty gather for prayer and to recite the Nativity Pledge (found on the next page), I am inspired by the words and actions of our students as they strive to live the five key virtues we aspire to at Nativity. It is especially heart warming to hear the students pray for one another, their families, and our world.

Every day I come to school, I am reminded of what makes Nativity so special. First, the wonderful education that we provide to our students within a safe, nurturing and faith-filled environment. Second, is the incredible story of generosity on the part of you, our donors and volunteers, which makes this possible.

As the school year gets underway, there are many things to be excited about. We are blessed with an exceptional and deeply committed group of faculty and staff. We are especially pleased, through your support, to have welcomed a Director of Student Support Services as well as establish our first in-house physical education program. In addition, students in grades six through eight have received Google Chromebooks to enable enhanced use of technology in the classroom and better prepare them for their educational future. The joy throughout the building is palpable!

During my first few months, many of you have remarked to me that "Nativity is one of the best kept secrets in Rochester." Thanks to the extraordinary efforts of our Marketing Committee, we are gaining heightened exposure for our mission. As a result of recent television coverage combined with a growing social media presence, our enrollment is steadily rising. We hope you will continue to help us spread the good news of Nativity in the Rochester community.

Our students' pledge is also my own, and I find strength in the words "I am called to become all that God has created me to be." I ask for your continued support to help us strengthen and expand on the very important work we do each day to make Nativity a vibrant community. In the coming months, I would welcome the opportunity to meet with each of you who are helping to turn the dreams of our students into reality through your generous financial support, your volunteer efforts and your prayers.

God Bless,

John R. Mattia
President

THE NATIVITY STUDENT PLEDGE

Recited daily by students at morning assembly

I am a member of Nativity Preparatory Academy. I am called to become all that God has created me to be. I know that if I believe that I can achieve I will achieve. As a member of Nativity Prep I will strive to practice the five virtues:

RESPECT

I understand that respect is the cornerstone of all positive relationships. I will demonstrate this virtue by treating others with dignity and compassion, by using my gifts and talents for good, and by being sensitive to the needs of those around me.

RESPONSIBILITY

I understand that I have a responsibility to God, my family, and my community. I demonstrate this virtue by holding myself accountable for my actions, by being thankful for the gifts I have been given, and by taking care of the people and places around me through both action and word.

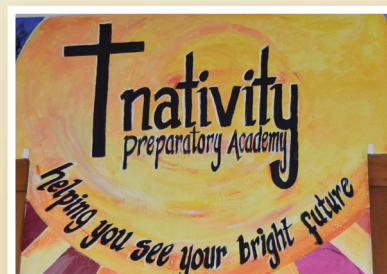

GRATITUDE

I understand that I have been given much. I demonstrate the virtue of gratitude by being thankful to God for the many gifts of creation that surround me and for the many people who care about me and nurture me. I will show my gratitude in my words and my actions and by being a good steward of what has been given to me.

SPIRITUALITY

I understand that I am always in the holy presence of God.
I demonstrate this virtue by offering my struggles and my successes to Him. Through a constant reflection on my life, I come to know myself and God more fully and to understand His role for me in the world.

SCHOLARSHIP

I understand that scholarship is the pursuit of knowledge through study and reflection. I demonstrate this virtue by treating all of my experiences as an opportunity for growth. I am committed to making myself a more thoughtful, intellectual person.

As a Nativity student I know these are the virtues I will need to practice to become the person God has created me to be.

OUR MISSION

Nativity Preparatory Academy is a Catholic middle school transforming the lives of underserved students through an education that provides strong academic grounding coupled with a sense of spirituality, morality, and personal responsibility.

Within a secure and nurturing environment, we deliver a uniquely effective education through an extended school day and school year, dedicated and caring teachers, personal mentoring, and continuing support after graduation.

Nativity serves inner-city Rochester students in Grades 5-8. Nativity was founded in 2009, and is jointly co-sponsored by McQuaid Jesuit and the Sisters of St. Joseph of Rochester.

Message from the Principal

MARIA CAHILL

It is incredibly hard to believe that another year has gone by. The 2018-19 school year marks Nativity's 10th anniversary, and we continue to grow as measured by significant accomplishments. What a testament to the dedication and commitment of such a wonderful group of people who sincerely believe in our mission, beginning, first and foremost, with our student body.

I am incredibly blessed to have been a part of Nativity for three years now, and I can confidently say that we are making a difference. The Nativity program continues to work to develop students' needs not only academically, but spiritually, socially, and emotionally as well.

There is no greater feeling, as an educator, than to have students share success stories attributed to their Nativity education. As the late Nelson Mandela said, "Education is the most powerful weapon which you can use to change the world!"

Let's go change the world.

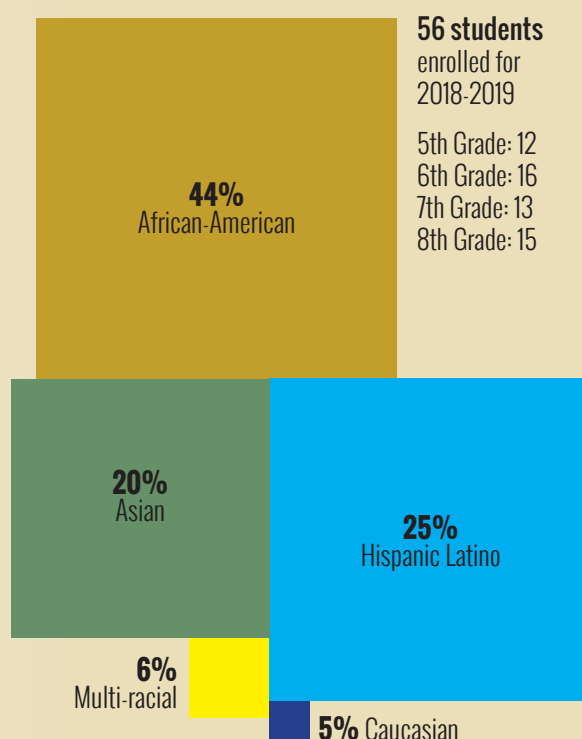

WHO IS NATIVITY PREPARATORY ACADEMY?

Our students come from a variety of diverse backgrounds, with more than 20 nationalities and multiple faith traditions including Catholicism, Islam, Buddhism, Baptist, and other Christian denominations.

But they all have several things in common: They have not been well served by the schools they attended and are several years behind grade level when they first arrive at Nativity; and they come from families that, while economically disadvantaged, truly care about education.

During their time at Nativity Prep, our students take part in a college-preparatory academic experience, as well as personal and spiritual enrichment that will last a lifetime.

Demographic Profile

VOLUNTEERS: THE HEART OF NATIVITY

Martin Luther King, Jr. said, "Life's most persistent and urgent question is, 'What are you doing for others?'" For an ever-growing group of dedicated people in the Rochester community, the answer to that question is, "I volunteer at Nativity Prep!"

The model for Nativity Preparatory Academy is based on the idea that it truly does take a village to raise a child. Each day, the faculty, staff, and administration at the school welcome dozens of volunteers to partner with them in educating, encouraging, supporting, and inspiring our students.

One of the many unique elements of Nativity Prep is the Extended Day schedule, which includes one hour each day for both homework and enrichment activities. During homework time, students have access to their teachers along with a large group of volunteers who work one-on-one with those who need a little extra help. Nativity's Enrichment Program is facilitated by a flurry of volunteers who coach sports, encourage the artistic talents of our students, expand on their academic experiences, and show them new ways to have fun in their free time. Nativity Prep is a tuition-free school, and therefore is dependent on the generosity of our community to generate funds

for operating expenses. Community volunteers help Nativity's fundraising efforts through events, consulting services, and outreach to prospective donors.

These are a just few ways that members of the Rochester community support Nativity Prep through the donation of their time and talents. Nativity could not offer this unique educational experience without the volunteers who take time out of their days to help the school live its mission, and for that, the Nativity family is eternally grateful.

Thank you to our volunteers!

CATHOLIC SCHOOLS WEEK

Nativity Prep celebrated Catholic Schools Week, which focuses on the value Catholic education provides and its contribution to Church, local communities, and the nation, with special prayers, a canned food collection for local food cupboards, and community-oriented activities.

FAMILY POT LUCK DINNER

Nativity hosted an annual Pot Luck Dinner for our students and their families as a way to celebrate the start of the school year, and to bring families together to enhance their connection to our school.

ROLAND WILLIAMS VISIT

Retired NFL star Roland Williams visited Nativity Prep, spending time touring the school and inspiring our students to "Be All In" with their studies, their extra-curricular activities, and their relationships with family and friends.

FIELD DAY

The school year concluded with a fun day of friendly competition during Field Day.

MERRY CHRISTMAS

Holiday cheer was felt throughout the school as Nativity celebrated the Christmas season with a community brunch, cookie-making, Christmas caroling, and a visit from Santa!

Welcome Meredith Smith

NEW POSITION IN SUPPORT OF OUR STUDENTS

Beginning with the 2018-2019 school year, Nativity added a Director of Student Support Services and Programs position. This role encompasses social emotional learning and counseling, high school placement and graduate support, enrichment programming, and community service. Adding this position allows Nativity to more fully and holistically care for the unique gifts and needs of students as they grow to practice and perform the five Nativity virtues.

Meredith Smith serves as the Director of Student Support Services, and comes to Nativity Rochester after a two-year teaching fellowship at Nativity Boston. While in Boston, Meredith completed her masters degree in Applied Developmental and Educational Psychology at Boston College's Lynch School of

Education, and taught 4th-7th grade Social Studies and Writing and coordinated the college volunteer and community service programming at Nativity. Meredith is originally from the Minneapolis area of Minnesota, and attended Boston College for undergrad as well. She is thrilled to be continuing to work for the Nativity mission, and is looking forward to getting to know the Nativity family in Rochester.

SUMMER PROGRAM

Nativity Prep's *Summer Gear-Up Academic and Leadership Program* serves to supplement and reinforce what is learned throughout the academic year, and also gives our students a safe, productive environment to spend their summer days.

The program includes:

- A 1-week academic remediation program for any student who did not achieve grade level performance in a core subject
- A 2-week academic and enrichment day camp for all new and returning students that focuses on core academic needs in the morning followed by enrichment sessions for "experiential learning" in the afternoon
- A 1-week overnight camp experience at Camp Asbury on Silver Lake, complete with academics, team-building activities, opportunities to enhance leadership skills, and overall summer fun.

Throughout Nativity's *Summer Gear-Up Academic and Leadership Program*, our students stay engaged academically, socially, and spiritually, and are better prepared to begin the school year ready to forge ahead on their journey to both academic and personal success.

BILLY D'ANTONIO SUMMER CLASSIC

On behalf of the entire Billy D Golf Committee, we offer our thanks to all of the participants for making such a special event possible!

We are in awe at the response we get from our sponsors, players, volunteers, dinner guests, and everyone who helps make the Billy D Classic "the tournament of the summer," year after year. We would especially like to thank Kathy D'Antonio, Jackie D'Antonio, and Pat McDonnell for all the work they put in throughout the year to ensure a successful tournament each summer.

The 6th Annual Classic was another huge success. We were once again blessed with great weather for our full field of enthusiastic golfers. We crowned a familiar victor, the now three-time champions, 'The Greats on the Lakes.' Congratulations to Colin McNulty, Ryan McNulty, Patrick Durkin, and Corey Pender!

This year, our fundraising efforts brought in close to \$50,000. This number raises the tournament's total fundraising to over \$250,000! Our supporters' individual kindness enables us to collectively come together to provide motivated students an opportunity to learn, grow, and become capable of achieving their potential. This is what Billy D Golf represents. The Nativity community is an integral part of that. Save the date for the 7th Annual Billy D'Antonio Summer Classic, which will be held August 3rd, 2019 at Shadow Lake in Rochester, New York.

VARIETY SHOW

Talent abounded as Nativity Prep students and faculty took the stage for this year's Variety Show. The theme was American History, and the atmosphere was pure joy!

SPREAD THE WORD TO END THE WORD

The Nativity Prep community joined in a national campaign which asks people to pledge to stop saying the R-word (retard(ed)) as a starting point toward creating more accepting attitudes and communities for all people.

BILLY D. DAY

The Nativity community took time to remember and celebrate the contributions that Billy D'Antonio made to our school as an AmeriCorps Volunteer. Following a memorial service at the tree planted in Billy's memory, Nativity students went out into the neighborhood picking up trash, and leaving stones with words of inspiration throughout the community.
