# MESSAGES FROM THE LEADERSHIP TEAM

## FROM THE PRESIDENT:

In this unique year we have seen many circumstances in our communities that have never been seen before. This publication highlights the school year that started out as a normal year and transformed to a new normal. We were blessed in March to have laptop technology in place to quickly switch to our School at Home program. Our teachers and students did an amazing job taking on a new way to teach and learn. As a result, youth were empowered to continue their journey to success. Eleven of our eighth-grade graduates will be attending area private high schools next year and our 2012 class of graduates just graduated from college!

In the pages that follow you will read about School at Home, Graduation, and the Graduate Support Program (4+4+4). Please know that the successes of our programs are a result of your generous donations, volunteer service, and prayers.

Your support unlocks the power of underserved youth in Rochester. Thank you for joining me on this journey to empower youth with the knowledge they need to succeed now and in the future. ***We couldn't do it without you!***

Sincerely,  
James C. Smith

## FROM THE PRINCIPAL:

As I reflect on my first year here at Nativity, I am in awe of this amazing school. The staff, students, volunteers, donors, and board of trustees make up such a powerhouse of mission that truly changes lives. This school year presented many challenges during our shift to online learning at the end of March through June, yet it was amazing to see our students' commitment during the several months of School at Home when so much of the world around them faced unknowns and hardship like never before.

Our Nativity academic life transitioned to a virtual one and our students continued to be engaged and attended classes in real time, culminating with final exams and report cards. I couldn't be prouder of our students' academic achievement during such a challenging time. Our year was filled with so many memories where we celebrated cultures, had class competitions, retreat days and even a silent disco!

In the upcoming year we look forward to providing a 5-day in person learning environment with health and safety of the whole child as our primary concern. Our on campus academic day will end at 2:00 pm each day, but we will continue the unique Nativity model using online platforms to engage students in study groups, tutoring, and enrichments.

Our school year will feel different to students with masks, distancing, and new safety procedures, but the heart of our mission drives us to be the beacon of hope in our students' lives. We anticipate the social-emotional needs of our students in ways that are unprecedented and will integrate opportunities for school-wide community building and self-value awakening. We will meet the academic challenge before us with a team of intervention teachers for Mathematics and Literacy that will continue to serve our students' additional needs during the upcoming year.

Thank you for being a part of the mission to help us serve such a faith-based, quality education that impacts these Rochester youth for the rest of their lives!

With gratitude,  
Jennifer Kremer

# OUR MISSION

Nativity Preparatory Academy is a Catholic middle school transforming the lives of underserved students through an education that provides strong academic grounding coupled with a sense of spirituality, morality, and personal responsibility.

Within a secure and nurturing environment, we deliver a uniquely effective education through an extended school day and school year, dedicated and caring teachers, personal mentoring, and continuing support after graduation.

Nativity serves City of Rochester students in grades 5-8. Nativity was founded in 2009, and is jointly co-sponsored by McQuaid Jesuit and the Sisters of St. Joseph of Rochester.

# GRADUATION 2020

The Class of Seton's 2020 Graduation Ceremony took place outside of St. Boniface Church with our graduating 8th graders, their families, Nativity teachers, and board members in attendance on Friday, July 17, 2020. A unique, masked, and socially distant ceremony was beautifully arranged in the courtyard between the church and the convent. The graduating class of eleven 8th graders were accepted to their top choice Catholic high school and received significant financial aid awards.

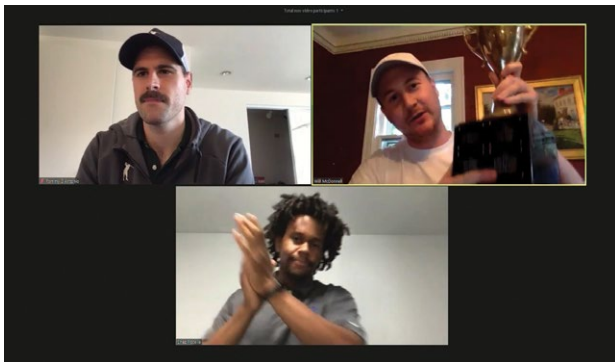

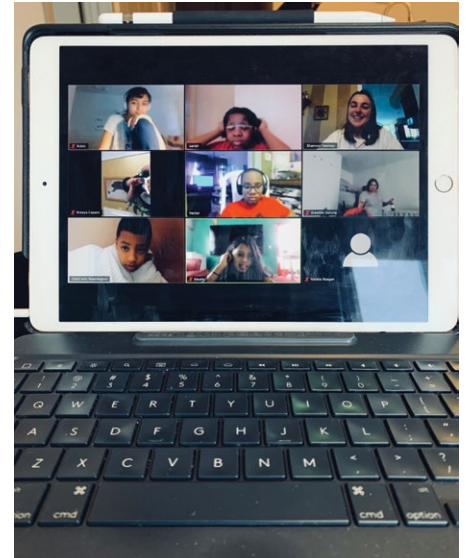

Two students were awarded full tuition scholarships, one at Mercy and one at Aquinas.

This ceremony was the culmination of the hard work each graduate put into their middle school years and celebrated the students and their families before officially welcoming them into Nativity's Graduate Support Program. Thank you to everyone who supported and empowered this class of future leaders!

# VIRTUAL TRANSFORMATIONS A SUCCESS

## School at Home

In March when schools across the state had to pivot to distance learning, Nativity immediately began synchronous instruction for all students, allowing for the continuation of all core subjects, plus religion, gym, and homeroom. Class content was pared down to ensure learning acquisition of key skills in a new format while minimizing volume to maintain student participation. Additional opportunities for connection and maintaining community were provided weekly, including game nights, movie watching parties, and virtual field trips. Throughout the spring, with regular follow up to students from teachers, attendance hovered at 95%. Donor support allowed us to provide students with continued learning and enrichment opportunities that helped to build bridges to their success now and in the future. Whatever role you played in Nativity's program this year, we want to thank you for investing in the futures of our youth.

## 2020 Billy D Summer Classic

Due to the pandemic the 2020 Billy D Summer Classic went virtual! Using the 18birdies app, participants played golf at courses across the country in July. The virtual reception was held on Sunday, August 2nd via Facebook Live. This year's tournament raised over \$60,000! Thank you to all who participated, donated, and volunteered.

The Billy D'Antonio Summer Classic celebrates the life and contributions of Billy D'Antonio, a former AmeriCorps volunteer at Nativity and one of Nativity's most memorable teachers. In its 8th year, the tournament is the result of the efforts of Billy's family and friends who remember the importance of Nativity to him.

Save the date for the 9th Annual Billy D Classic on August 7, 2021!

## 2020 Nativity in Bloom

This year's event was transformed into a virtual gathering that raised funds to support the empowerment of Nativity's students. The broadcast was done on Facebook Live on May 28th. Generous sponsors of the event provided financial support, along with a highly successful paddle call delivered by the new President James C. Smith. The event's \$70,000 fundraising goal was achieved.

The Nativity in Bloom committee worked tirelessly to raise donations to help in this unusual year of the pandemic. Thank you to everyone who donated and supported our event!

We gathered in our homes to watch the amazing stories of our Students and graduates and to support the mission of Nativity Preparatory Academy. We hope you will join us again in the Spring of 2021. (Hopefully in person!)

# ANNUAL REPORT OF GIVING

*Thank you for empowering students to be their best, providing equity in education, and unlocking the potential of our youth. We couldn't do it without you!*

We gratefully recognize the following individuals, organizations, corporations, and foundations for contributions to Nativity Preparatory Academy of Rochester between July 1, 2019 and June 30, 2020. While we have made every effort possible to list all financial and in-kind gifts for the period noted, we realize that something could be missed. If you have a correction, please email us at [jbeaman@nativityrochester.org](mailto:jbeaman@nativityrochester.org) or call 585-271-1630 so we can make corrections. Thank you for your support!

## Graduate Support

This year was a whirlwind of activity for our graduates. In the Fall of 2019, alumni in grades 10, 11 and 12 visited the University of Rochester. In the winter, 30 alumni with representatives from every single graduating class gathered at the school to celebrate the holidays together. Spring brought many things to a halt, including college visits, but our graduates worked hard to achieve great things. All 16 members of the Class of 2019 are still in College Prep high schools. Nine of the 2019 graduates made honor roll at their high schools, with one making it into the Saint Thomas Aquinas Club for top students at AQ! Now as college application season is beginning, and we will be working with

nine students from the Class of 2017 to make their next set of plans to continue their education.

Nativity's Graduate Support Program gives our students the support they need not only during the four years at Nativity, but also during their high school and college years. Students are given extra support from Nativity to successfully graduate high school and college as they work towards their career and professional goals. The aim of the program is to provide ongoing assistance to Nativity graduates, especially throughout their high school years, on their journey to a successful future.

*In the spring of 2020, our 2012 eighth grade class of graduates graduated college!*
